Manual
How to connect a computer in Samsung Smart HDTV @ GRIC – Hub 2
(Cloud users)
1. **Reserve Hub**

- Visit the orientation guide in: [http://libguides.uprm.edu/gric/home](http://libguides.uprm.edu/gric/home)
- Select *Hubs*
- Click the box “Book a Room”
- Select the desired room [GRIC - Hub 2 (Cloud users)], and the time block (four hours maximum).
- Enter the personal information, read the use policy and click “Submit my Booking”
2. Connect GRIC wifi

- Select wifi: GRIC
- Enter the password
- Open the browser and go to uprm.edu
- Enter your credentials
- Once you complete this process, you will be connected to internet.
3. Turn the TV on.

• The button is behind the tv, on the right side.
4. Conect to Samsung Smart HDTV

• There are three ways to connect to the computer.

  4.a HDMI

  4.b Pc with Windows 8 o 10

  4.c Stick Pc
• Connect the HDMI cable to the computer.

• The Smart HDTV will detect automatically the computer and your screen will appear on the TV.
On the TV monitor the “Allow” option will appear.

When you choose “Allow”, a password will appear on the screen, enter on Pc.

Once you write the password, the Pc will project to the TV.
• On the Monitor, Go to “Sources” → “Connection Guide”.

• Click on “Mobile Device”.
4.c 

PC with Windows 8 or 10

Second Option

- “Screen Sharing (Smart View)”

- In the PC, below on the right corner click the “cloud”. Next click a “Connect”.
  - Choose “[TV] Samsung 6 Series (55) Hub 2”.
The Graduate Research and Innovation Center (GRIC) is part of the Transformational Initiative for Graduate Education and Research (TIGER), US Department of Education, Title V, Part B, Promoting Postbaccalaureate Opportunities for Hispanic Americans (PPOHA) Program (#P031M140035).

- The *Stick Pc is located behind the tv*.
- Press the on button on the right corner.

- You must order the keyboard and the mouse.
- **To connect to the internet you will need to follow the instructions already explained**
